ABOUT COLIVING

What is coliving? What is attractive about it?

COLIVING IS A MODERN WAY OF LIVING AND WORKING. IT IS PERFECT FOR ACTIVE PEOPLE WITH A RATIONAL MIND.

It is a place where you can work efficiently, choose among various activities in your free time and organize your everyday life in an easy way. More importantly, coliving is also a unique community for fostering projects, exploring your talents and making friends :)

COLIVING MADE IN PARTNERSHIP WITH THE BEST ARCHITECTURE STUDIO IN THE COLIVING AND PUBLIC SPACE SEGMENT

**FIRST COLIVING IN DUBAI
OPENING IN 2021**

“We studied the experience of **953 colivings** around the world – everything from a smaller format with 15-17 people to 24-floor buildings with 740 residents. We believe this type of community has **a bright future ahead.**”

RESIDENTS

Why do they choose colivings?

YOUNG PEOPLE: TRENDS

Reality is online today

We are not strategic about life: we live in the here and now

We choose social interactions over staying alone

Joy is important in life

The more diverse, the better

Each one of us is special

Smart is cool

WHAT A COLIVING HAS TO OFFER:

Opportunities for productive work and leisure

Community for socializing

Services to make housekeeping easier

Tools for exploring your talents and growing your professional potential

THE PANDEMIC YEAR OF 2020 SHOWED THAT PROPERTIES WITH **LESS SPACE FOR SLEEPING** AND MORE SPACE FOR SOCIALIZING, ENTERTAINMENT AND WORK ARE **ALWAYS AT LEAST 81% FULL**. (THERE IS NO NEED TO LEAVE THE BUILDING — YOUR CLIENTS, PARTNERS AND FRIENDS ARE ALL IN THE SAME SPACE.)

"CHECK FOR YOURSELF! IT'S A BETTER DEAL THAN BUYING AN APARTMENT."

"I AM FREE TO **CHOOSE HOW I WANT TO WORK TODAY:** FROM THE OFFICE OR LYING IN THE HAMMOCK."

"I NEVER FEEL LONELY. BUT I CAN **CHOOSE TO BE ALONE** WHEN I FEEL LIKE IT."

"WORKING SIDE BY SIDE ON DIFFERENT PROJECTS **WE MOTIVATE EACH OTHER TO BE MORE EFFICIENT.** THAT'S A GREAT THING!"

EVERY DAY You&Co

HOSTS DIFFERENT PUBLIC EVENTS: LECTURES, WORKSHOPS, PERFORMANCES, CONCERTS, ETC.

AT NIGHT YOU CAN ENJOY LIVE MUSIC, YOGA AND DANCE CLASSES.

ON WEEKENDS WE SET OUT FOR CAMPING IN THE MOUNTAINS OF RAS AL KHAIMAH, SURFING OR DIVING IN FUJAIRAH. VISITING AN ART SHOW OR WATCHING FORMULA 1 IN ABU DHABI IS ALSO AN OPTION.

THE WE AREA: A CLOSER LOOK

Party pool (with a DJ controller and a 5-meter screen) where some residents are watching *King Kong Lives* with their team, while some are sending a website code to their client from a cozy armchair.

4 roof decks hosting a yoga studio, a crossfit gym, a hookah bar, a cafe, a lecture and concert hall. On any day, you can walk in on a stand-up battle or a comedy night, attend performances or pitches of full-scale projects, as well as hear brand-new ideas presented for feedback.

4 rooms for recording podcasts and audio materials.

Studios for film-making with a green screen — exactly what you need for your YouTube channel or streaming on Twitch!

1500m² of flexible space where you can work alone or with a team in a quiet or loud zone, in a glass conference room, sitting in a leather chair at an oak table, swinging in a hammock, chilling in an armchair, on a swing or at the bar...

2 lounge rooms with a relaxed ambience and a cozy dim yellow light. These are ideal rooms for therapy, having consultations with your psychologist or spiritual mentor.

P.S. Rooms for artists and potters are a true hidden gem of You&Co.
