Pioneering Excellence in UAE Real Estate

Aark Developers, a distinguished name in UAE's real estate landscape, was founded by Mr. Rahul Kumar Gupta, an industry veteran with over 25 years of expertise in India and UAE. With a strategic vision for growth and a steadfast commitment to delivering exceptional value, Mr. Gupta has established a reputation for executing projects on time and exceeding quality expectations.

The company boasts a diverse portfolio, with projects that are attracting investors from across the globe. These projects have enabled Aark Developers to demonstrate strength, stability, market understanding, seamless execution, and the ability to exceed quality benchmarks.

CHAIRMAN'S MESSAGE

At Aark Developers, we are dedicated to transforming everyday living into extraordinary experiences. Our vision is to create lifestyle residences that embody the luxury and relaxation of a world-class resort, ensuring that every home feels like a sanctuary.

We believe that home is more than just a physical space; it's a feeling. Our goal is to make sure that every morning you wake up in one of our developments, it's like stepping into a tranquil oasis where comfort and convenience meet opulence.

Our commitment to resort-style living means you will enjoy a wealth of amenities designed to enhance your lifestyle. We meticulously craft every detail to create the perfect retreat for you.

I invite you to experience the Aark difference. Our team is dedicated to making your everyday life feel like an everlasting vacation. Welcome to Aark Developers, where we turn your dreams into beautiful realities.

A handwritten signature in black ink that reads "Rahul Gupta". The signature is fluid and cursive.

RAS AL-KHAIMAH

Ras Al Khaimah offers a captivating landscape tapestry. Towering Hajar Mountains cradle pristine beaches and vast deserts, creating a truly diverse playground. This Emirate seamlessly blends its rich cultural heritage with modern luxuries, boasting stunning resorts alongside its historical treasures. This unique combination makes Ras Al Khaimah a magnet for both tourists and expatriates seeking an unforgettable experience in the heart of the UAE.

29.7%

YoY increase in total revenues earned by hospitality establishments in 2022 (USD 316 million) amounting to USD 127 per available room.

56%

Market share held by domestic visitors in RAK in 2022, a slight drop from 2021 figures of 58%, pointing towards increased appeal to inbound visitors.

3.53mn

Number of guests nights spent in RAK in 2022. This represents a 27% YoY growth from 2021 figures.

WYNN GAMING RESORT

Wynn Al Marjan Island is poised to become a crown jewel in Ras Al Khaimah, boasting the title of the Emirate's largest foreign direct investment project. This ambitious resort complex will offer a comprehensive experience, featuring over 1,200 luxurious hotel rooms, expansive retail and dining spaces exceeding 20,000 sqm, and a dedicated gaming area spanning over 20,000 sqm.

Operated by a renowned independent hotel company, Wynn Al Marjan Island caters to a diverse clientele, welcoming both business travelers and leisure seekers.
